

Your
Voice,
Your
Power

The Los Angeles City Council Redistricting Commission invites you

to join community public hearings to
review 2021 Draft district maps on:

Wednesday, October 6th at 6pm
Saturday, October 9th at 10am
Wednesday, October 13th at 6pm
Saturday, October 16th at 10am

These important hearings are part of a public process to draw City Council District maps with the input of the City's residents. The Commission will present draft maps informed by 2020 Census, public and written testimony and other relevant data sources.

This will be the last chance we get to hear from you before the maps get sent to the Los Angeles City Council for final approval on October 29, 2021. We need to hear your opinion about these maps. **Do the maps truly reflect the boundaries of your community? Is your Council District set up to ensure you and your neighbors are fairly represented?**
